

# OH+S

The logo features the letters 'OH+S' in a large, white, sans-serif font against a dark blue background. Below the text is a light green silhouette of a city skyline with various building shapes.

## DHB Occupational Health + Safety Conference

### **Speaker Biography**

#### **Dr. Kathleen Callaghan**

Dr. Kathleen Callaghan has joint qualifications in medicine (she is a specialist in occupational medicine) and psychology. She is the Director of the Human Factors Group and Academic Head, Occupational Medicine, Faculty of Medical and Health Sciences, University of Auckland. Her main areas of research and teaching interest are threat and error management and decision-making in high risk situations. She has an extensive background in industry, particularly aviation - both in the RNZAF and as Principal Medical Officer for the NZ Civil Aviation Authority. Dr. Callaghan is a member of the International Society of Air Safety Investigators and has been involved in the investigation of a number of military and civilian air accidents and incidents.
