

PAYING FOR TOMORROW'S HEALTH

With a growing and ageing population,
how is New Zealand going to fund Health
Services in the future?

7th - 8th June 2007
Waipuna Hotel and Conference
Centre, Auckland

Opening address:
by **The Hon. Clayton Cosgrove,**
Associate Minister of Finance,
New Zealand

Hear presentations from leading-edge players both inside and outside the health sector!

Issues covered include:

- What's a fair health share of GDP?
- Learning from the NHS targets regime
- What do other sectors do about long term financial planning?
- The Treasury viewpoint
- Balancing money and community responsibility
- How are the DHBs managing to balance the books?
- Paying for a scarce workforce
- The balanced health investment portfolio

Speakers include:

Hon. Clayton Cosgrove
Associate Minister of Finance
New Zealand

Mr Stephen McKernan
Director General of Health
Ministry of Health

Your MC:
Dr Lester Levy
Chief Executive of Exceleator:
NZ Leadership Institute

This is the second in a series of national Sustainability Conferences hosted by Counties Manukau District Health Board.
It will be an interactive two days with plenty of opportunities for delegates to contribute to the debate.
